**WATERS PROBABILITIES.**—For this section fair to-night and Friday; much colder, brisk nor'westerly winds.

**WEDDINGS.**—Christ Church was beautifully decorated last night with flowers and ferns, and a brilliant company witnessed the marriage of Miss Bettie Fitzhugh Smoot, daughter of Mr. William A. Smoot, to Mr. Robert W. Fuller, of Atlanta, who is connected with the Southern Railway in Washington. The bride entered the church leaning upon the arm of her father, and was preceded to the altar by the ushers, Messrs. William Malwood, of Washington; W. G. Chapman, Chas. E. Stuart, Eugene B. Taylor, Craig Anselmy, and Robert G. Sadler, Jr. Miss Carry Wase, of Seminary Hill, acted as maid of honor, and the groom was attended by Louis E. Smoot, brother of the bride. The bride was attired in white satin and carried bride roses, and Miss Wase wore pink satin. Rev. Berryman Green performed the ceremony, and Mrs. Charles G. Lannon presided at the organ. After the ceremony an elaborate reception was held at Colross, the home of the bride's parents, where the young people engaged in a dance, the music being furnished by Prof. E. R. Dunn. Later Mr. and Mrs. Fuller left for Atlanta and will make this city their home on their return.

The marriage of Miss Anna Bryant Hill, daughter of Mr. and Mrs. Thomas Hill, to R. V. John G. Sadler, rector of the Protestant Episcopal Church of Our Saviour, Baltimore, took place in that city yesterday evening at St. Peter's Protestant Episcopal Church. The rector, Dr. F. W. Clappett, officiated. The maid of honor was Miss Melissa Hill, of this city, a cousin of the bride. The best man was Mr. Samuel Sadler, of Philadelphia, a nephew of the groom. A reception followed the ceremony at the home of the bride's parents. Among the guests were Mr. and Mrs. George R. Hill and Mrs. M. A. Wood, of this city.

**THE GLASS WORKS.**—The Virginia Glass Company, of West End, near this city, has bought 7½ acres of land adjoining the shops of the C&O and Ohio in Richmond, on which they will erect a glass factory. Mr. John S. Borden, the general manager of the company, is in Richmond, and has made all arrangements to carry the plans into effect. He will superintend the construction of the factory buildings. It is not the purpose of the company to give up the Alexandria factory, where one hundred hands are employed. That factory has been in operation six years, and it is doing a thriving business. The company manufactures all sorts of glassware, and the Richmond factory will be made an auxiliary one, and it is hoped to start it in operation by the first of September. The company will work two shifts of hands in Richmond, in order to keep the factory running day and night. There will be one hundred hands in each shift. The company is not incorporated, and it is not a stock company. There are seven persons interested, and they are all experts in the manufacture of glass. They conduct the business somewhat upon the co-operative plan.

The officers of the glass works in an interview to-day with a representative of the Gazette positively denied the statement made in a Washington paper this morning that the company was contemplating removing the works from this neighborhood. They say they are in West End to stay, and so pleased are they with the location that they recently intended to expand their plant and with this purpose in view had endeavored to acquire some land contiguous to their works.

**U. S. COURT.**—Judge Edmund Wallcut presiding. The grand jury returned an indictment against Herbert A. Davis, of Fauquier county, for violating the postal laws in making false returns of cancellation of postage. The grand jury was then adjourned for the term.

A motion for a new trial of John Thomas, alias Stran, colored, convicted yesterday of violating the pension laws, was overruled, but, at request of the prisoner's counsel, Thomas was directed to be kept in jail here till February.

**U. S. vs. E. M. Lewis,** a white boy fifteen years old, indicted for stealing letters from the Fredericksburg post-office; jury and verdict of guilty. The court sentenced him to serve two years in the Reform School of the District of Columbia.

Judge Waddill in sentencing young Lewis said it was a very sad duty he and the jury had to perform, and then gave the boy some excellent advice, telling him to behave himself while at the reform school and hoping that by the time he is released he will be a better boy. Young Lewis shed a few tears, but soon brightened up again. None of his people were in court.

The petit jury was then adjourned for the term and court adjourned till February 1st.

**FIRE.**—At fifteen minutes to 2 o'clock this morning an alarm of fire was turned in by Officer Roberts and Special Officer Genzberger, who discovered that the bottling house owned by Alfred and Gibson streets, was burning. The fire department instantly responded and in a short space of time was at work energetically. The fire, however, proved stubborn, and was not extinguished before the interior of the building was nearly destroyed. The bottling house was a brick structure, and was used in connection with Mr. McCuen's pop and mineral water manufactory. The fire is supposed to have originated from a stove. Mr. McCuen estimates his loss at \$1000 on the building, on which there was an insurance of \$500, and between \$5000 and \$6000 on the stock and fixtures, on which there was an insurance of \$3000. He states that everything in the second story of the building, including 1000 empty crates, 350 gross of bottles, 3 bottling tables, &c., were ruined.

Owing to the unseasonable hour of the fire when the engines first arrived on the scene there were hardly a sufficient number of men present to handle the hose, but the firemen soon arrived.

The young people of the Second Presbyterian Church will hold a social to-night from 8 to 10 o'clock under the auspices of the Westminster League.

**PERSONAL.**—Mrs. T. F. Burroughs, who is quite ill with pneumonia, is reported to be better to-day. Mrs. Quartly, of Baltimore, is visiting her aunt, Mrs. Alex. McBurney. Rev. Fathers McCarthy and Payne, of Staunton, and Delmuyck, of Fredericksburg, are the guests of Rev. Father Cutler. Councilman Brill is confined to his home with the grip. Miss Rattie Agnew very delightfully entertained a number of her friends at her home, on south Pitt street, Tuesday night.

Cards are out for the wedding of Mr. Wythe White, manager of the Bell Telephone Company, of this city, and Miss Mary A. Reinohl, of Washington, which is to take place in Hamline M. E. Church, that city, on the 18th. Mr. Julian Lawlett is quite ill at his home, 111 Prince street. His sister, Eva, is also confined to the house by sickness.

Dr. Henry R. Elliott, Jr., is, we regret to say, quite sick at his home in this town, with pneumonia. [Leesburg Mirror.]

**WOMAN'S AUXILIARY.**—The regular monthly meeting of the Woman's Auxiliary was held at the Lee Camp Hall Tuesday evening. Much important business was transacted. Resolutions of thanks were received from the camp, and were ordered to be placed on file. It was decided to inaugurate some method of raising funds, and a committee was formed to take the matter in hand. As the work of marking the graves of our dead was high completed, it was decided to take up a new work to engage our energies and a selection was made. It was decided to have the February meeting at night instead of in the evening. Due notice will be given.

Henry Stevens, colored, charged with assaulting and beating Hamilton Smith, was fined \$5. Night Report—Last night was cloudy and cool. One prisoner and fourteen lodgers were at the station house.

**ASKS FOR A BANKRUPT ORDER.**—Mr. W. P. McRee, of Petersburg, counsel for Mr. Zoro Hill, of this city, yesterday made application to the United States District Court at Richmond for an order declaring the corporation of M. Levy Company, of Petersburg, bankrupt. The firm made an assignment on October 25, giving preference for \$80,000 and naming Messrs. W. B. McIlwaine and Alexander Hamilton as trustees. The concern is the largest handler in peanuts in the country.

**THE KETTLE BOTTOMS.**—Mr. Park Agnew yesterday had an interview in Washington with Senator Martin in reference to an appropriation for deepening the channel of the Potomac at the Kettle Bottoms. Senator Martin said he would try and have the matter considered when the river and harbor bill came up, and promised to do all in his power to secure the necessary appropriation.

**JR. O. U. A. M.**—Jackson Council last night installed the officers elected at the last meeting and received one application for membership.

To-night Alexandria Council will install their officers, after which a banquet will be served.

**Discovered by a Woman.**

Another great discovery has been made, and that too, by a lady in this country. "Disense fastened its clutch upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamrick, of Shelby, N. C. Trial bottles at E. L. Allen's and E. S. Leadbeater & Son's Drug Stores. Regular size 50 cts. and \$1. Every bottle guaranteed.

**To the Public.**

We are authorized to guarantee every bottle of Chamberlain's Cough Remedy and if not satisfactory to refund the money to the purchaser. There is no better medicine made for la grippe, colds and whooping cough. Price, 25 and 50c per bottle. Try it. For sale by J. H. Janney, Druggist, 701 King street.

To insure a happy New Year, keep the liver clear and the body vigorous by using Dr. Williams' Little Early Biscuits, the famous little pills for constipation and liver troubles. Edgar Warfield, Jr., corner King and Pitt streets.

**NO CURE—NO PAY.**

That is the way all druggists sell GROVE'S TASTELESS CHILL TONIC for Chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults prefer it to bitter nauseating Tonics. Price 50c. Sold by Richard Gibson, corner Alfred and King streets.

La Grippe is again epidemic. Every precaution should be taken to avoid it. The specific cure is One Minute Cough Cure. A. J. Shepherd, Publisher Agricultural Journal and Advertiser, Eldon, Mo., says: "No one will be disappointed in using One Minute Cough Cure for La Grippe." Pleasant to take, quick to act. Edgar Warfield, Jr., corner King and Pitt streets.
